

# CREATING IBM CLOUD SERVICE

Date	26 OCTOBER 2022
Team ID	PNT2022TMID41855
Project Name	Hazardous Area Monitoring for Industrial Plant Powered by IOT

The screenshot displays the IBM Cloud console interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and user account information for 'Manikandan B's Account'. Below the navigation bar, the main content area is titled 'Untitled' and features a 'For you' section. This section contains several quickstart cards: 'Build' (Explore IBM Cloud with this selection of easy starter tutorials and services), 'Discover the Watson Internet of Things (IoT) Platform' (Use the built-in web console dashboards to monitor your IoT data and analyze it in real time), 'Explore tutorials' (Try out a variety of tutorials to get you started with IBM Cloud or help you with more complex scenarios), 'Set up your IBM Cloud account' (Learn how to set up your IBM Cloud account, manage your account settings, organize resources, and control access to those resources), 'Get Started with Watson Studio' (Get started with using AI and Cloud Object Storage in 15 minutes), and 'Build a Watson' (Deploy interface any app channel). Each card includes a 'Getting started' button and a duration (e.g., 10 min, 2 hr). On the left side, there's a sidebar with various icons for navigation. At the bottom, there's a 'User access' section with a 'Manage users' link, a 'News' section with a 'View all' link, and a 'Planned maintenance' section with a 'View' link. The bottom of the screen shows a Windows taskbar with various application icons and a system tray with the date and time (1:43 AM, 11/5/2022).

An IBM Cloud Service created Successfully .
